

## ***I Felt the Holy Spirit Was Saying:***

**By Kathleen Nowak**

***In February of this year, I felt that the Holy Spirit was saying:***

“In this time of darkness, you who love Me, you who follow Me; pray for my children who live in darkness. As the evil in this world increases, your prayers for the world must increase.”

**And then several areas that especially need prayer came to me:**

- Pray that many will come to repentance for their sins.
- Pray more fervently for my children who are lost, who are deceived by the spirits of this age.

- Pray that the hearts of mothers would be turned to the children growing within them and let them live.
- Pray for deliverance for those who are oppressed by perverse spirits; those with same-sex attraction; those with gender identity problems.
- Pray for an end to the sexual exploitation of children and young adults.
- Pray for young people, that they would see through the lies taught to them and come to know the truth.
- Pray for love and unity in marriages and family life.
- Pray that young people will choose to marry and establish families and not cohabit.
- Pray for conversion throughout the land.
- Pray that people will return to their churches, to worship and praise the God who made them.

After I wrote them down, I noticed that there were **ten intentions**, just enough **for one decade of the rosary**.

And so, **I invite you to also to pray for these intentions**. If you like, you can pray one decade of your daily rosary for them.
